# House sets self-imposed deadline to pass SONA bills by yearend

MANILA – Speaker Ferdinand Martin G. Romualdez on Tuesday expressed confidence that the House of Representatives will pass the 17 priority bills that President Ferdinand R. Marcos Jr. requested Congress to pass in his second State of the Nation Address (SONA) last Monday.

In a statement, Romualdez said the House had approved on the third and final

reading seven of the President's priority measures.

He said he is confident that the chamber would "wrap up the final approval" of the remaining 10 SONA priority measures before the end of the year.

"I am extremely confident that the House of Representatives would again rise up to the occasion and accept the challenge from our President: to pass the 17 priority

measures needed to sustain our economic recovery and improve the living condition of our people," he said.

The seven SONA priority measures that the House approved during the First Regular Session of the 19th Congress include House Bill No. 4102 or Single-Use Plastic Bags Tax Act; House Bill No. 4122 or An Act Imposing Value-Added Tax on Digital Transactions; and

House Bill No. 6716 or An Act Mandating the Establishment of Fish-erfolk Resettlement Areas by the Department of Agriculture, Department of Human Settlements and Urban Development, Department of Environment and Natural Resources, and Local Government Units.

Also passed were House Bill No. 7393 or Anti-Financial Account Scamming Act; House Bill No. 7006 or Automatic Income Classification Act for Local Government Units; House Bill No. 8203 or Bureau of Im-

## DepEd reforms to support PBBM goal to improve quality of learning

MANILA – The Department of Education (DepEd) will continue to support President Ferdinand R. Marcos Jr.'s quest to provide Filipino learners with an education that secures their future.

DepEd said its MATATAG Education Agenda, as mentioned

during the second State of the Nation Address on Monday, will turn into reality Marcos' goals to uplift the status of Filipino learners.

In a statement on Tuesday, DepEd noted that "it has been institutionalizing relevant and innovative reforms

to recalibrate the curriculum, provide rapid and responsive delivery of education services, and ensure the welfare of our learners and teachers" which are in parallel with the directives of President Marcos.

"Guided by the aspirations of the Pres-

ident this year, we are keen to forge ahead and deliver results anew for the benefit of our Filipino education stakeholders," the DepEd assured.

The MATATAG Agenda involves making the curriculum relevant to produce

competent and job-ready, active, and responsible citizens and taking steps to accelerate the delivery of basic education facilities and services, including plans to build more resilient schools and classrooms this year.

It also aims to take

good care of learners by promoting learner well-being, inclusive education, and a positive learning environment; and giving support to teachers to improve their performance.

In his SONA, Mar- (Turn to p. 2)

ing 10 SONA priority measures for approval are scheduled to be passed by October. These are Anti-Agricultural Smuggling; Amendments to the Cooperative Code; Tatak Pinoy; and Blue Economy.

The House also seeks to approve the six remaining priority measures by December. These are Motor Vehicle User's Charge; Military and Uniformed Personnel (MUP) Pension; Revised Procurement Law; New Government Auditing Code; Rationalization of Mining Fiscal Regime; and National Water Act.

Romualdez noted that the list of SONA priority measures does not include the proposed 2024 national budget which the Executive Department will submit to Congress sometime next month.

"Of course, the most important bill that we need to discuss and approve the soonest time possible is the 2024 General Appropriations Bill based on the National Expenditure Program prepared by the Executive Department," he pointed out.

"Ang national budget na ipapasa namin ang magsisiguro na lahat ng buwis na ibinabayad ng mga kababayan natin, gayundin ang iba pang revenue

sources na nakokolekta, ay babalik sa taumbayan sa pamamagitan ng mga programa, proyekto at serbisyo (The national budget that we will pass will ensure that the taxes paid by our people, as well as those collected from other revenue sources, will go back to the people in the form of programs, projects and services)," the House leader said.

He said the House of Representatives will work double time if needed to meet their "self-imposed deadline" of approving the 2024 appropriations bill, as well as the remaining 10 SONA priority measures, before the end of the year 2023.

"Sa pagpasa ng lahat ng panukalang batas na hiniling ng Pangulo, umaasa kami na makakatulong kami dito sa House of Representatives na mapalago pang lalo ang ekonomiya, mapasigla ang negosyo, maparami pa ang trabaho at mapalawak ang serbisiyong hatid natin sa mga Pilipino (By passing all the proposed measures requested by the President, we in the House of Representatives hope to help in further growing the economy, create more jobs and expand services to Filipinos)," Romualdez said. ministrative personnel have been hired to unburden the teachers. (PNA)

**DOH assures distribution of Covid-19 allowance for HCWs**

MANILA - Health Secretary Teodoro Herbosa on Tuesday said the Department of Health (DOH) is working on a more efficient way to distribute the Covid-19 health emergency allowance to concerned healthcare workers (HCWs).

"I talked to the DBM (Department of Budget and Management) Secretary about this. Find a more efficient way to give the health emergency allowance which is in the GAA (General Appropriations Act) to each and every health care worker that really worked in the Covid ward," Herbosa said

of the typhoon.

"Tuluy-tuloy ang ating pagkilos upang maaksyonan ang maaring pinsalang dulot ng Super Typhoon Egay (We continue to take appropriate actions to mitigate the impact of Super Typhoon Egay)," he said.

Marcos said the government would ensure the safety of affected families in the Ilocos Region, Cagayan Valley, Central Luzon, Calabarzon, Mimaropa, Western Visayas, Central Visayas and Soccsksargen.

He said food and non-food items are available for the typhoon victims.

He also noted the deployment of search, rescue and retrieval personnel from the Armed Forces of the Philippines, the Bureau of Fire Protection and the Philippine Coast Guard.

He added that 93.53 percent of the affected municipalities had full restoration of power.

Egay made landfall in Aparri, Cagayan at 3:10 a.m. Wednesday, according to the 8 a.m. weather bulletin of the Philippine Atmospheric, Geophys-

during a media forum in Taguig City.

This, after President Ferdinand R. Marcos Jr. said in his second State of the Nation Address (SONA) that he is keen on pursuing measures that would improve the welfare of doctors, nurses and other medical frontliners and to repay them for their sacrifices during the pandemic.

At least four bills have been filed in the House of Representatives and the Senate seeking to amend the Magna Carta of Public Health Workers.

The DOH bill version includes ongoing staff work along with the salary standardization

ical and Astronomical Services Administration (PAGASA).

PAGASA said many areas in Luzon would continue to experience strong winds as Egay wobbles the coastal waters near Fuga Island in Aparri.

Egay packs maximum sustained winds of 175 kph near the center and gustiness of up to 240 kph.

Gusty conditions due to Egay and the southwest monsoon will also prevail over Luzon and the Visayas.

Both Egay and the southwest monsoon will also cause rough to very high seas over coastal waters along the seaboards of Luzon and the Visayas.

Sea travel is risky for most vessels, and all mariners have been advised to remain in port or seek safe harbor until winds and waves subside.

Egay is forecast to exit the Philippine Area of Responsibility on Thursday, PAGASA said. (PNA)

EMERGENCY ALLOWANCE. Department of Health (DOH) Secretary Teodoro Herbosa congratulates the World Health Organization and the DOH for 75 years of partnership at the Celebration of Public Health Milestones in the Philippines Program in Taguig City on Tuesday (July 25, 2023). Herbosa pointed out the inefficiency in the previous dispensation of Covid-19 health emergency allowance to regional health offices. # OWWA 4A opens applications for OFW-dependent scholarship program

CALAMBA CITY, Laguna (PIA) — The Overseas Workers Welfare Administration (OWWA) in Calabarzon has urged qualified dependents of overseas Filipino workers (OFWs) in the region to avail of their scholarship program.

Avilina Sheryl Briton-Caya, OWWA 4A Programs for Education Coordinator, told the Philippine Information Agency that they are now accepting applications for the OFW Dependent Scholarship Program (ODSP) for the Academic Year 2023-2024.

“Wag na magpattumpik-tumpik pa, mag-apply na, kumpletuhin ang hinihingint, yun lang ang ipasa para maging eligible for scholarship and the rest of the requirements will be coordinated personally para ma-validate namin ‘yung eligibility ng bata,” Caya said.

Caya added that the OWWA 4A opened 60 slots for incoming college students and another 65 slots for currently enrolled college students. She said the ODSP offers Php20,000.00 in edu-

cational assistance to qualified dependents of OFWs who receive a monthly salary of not more than US\$600.00.

According to Caya, applicants must be an immediate OFW family member who shall enroll or currently enrolled in any four-year or five-year baccalaureate course or associate course in any college or university to qualify for the scholarship program.

“Unang-una dapat ang OFW ay active OWWA member, kasi merong mga OFW na nasa ibang bansa pa pero expired na yung OWWA membership nila, hindi sila maka-avail ng OWWA Scholarship. Pangalawa, single at dito mag-aaral sa Pilipinas yung mag-aaral tapos kapag yung incoming first year ay dapat 21 years old pero yung already in college ay hanggang 30 years old,” she explained.

Meanwhile, the OWWA 4A also bared the list of 67 qualifiers for the Education for Development Scholarship Program (EDSP) and the Congressional Migrant Workers Scholarship Program

(CMWSP).

Caya said the OWWA 4A maintained around 500 EDSP scholars who receive Php60,000.00 annually and 400 ODPS scholars who receive P20,000.00.

The deadline for the submission of requirements for the ODSP is on July 31, 2023.

Caya advised interested applicants to visit the OWWA 4A office and regularly monitor their official social media pages for further announcements.

“Mag-monitor at

mag-like nang aming facebook page, (OWWA Calamba) kasi doon kami nagre-release ng mga link na pagpapasahan for online application, kasi ngayon ay online na halos lahat. Maraming mga may problema, hindi makapasok sa link, may mga concerns sa requirements pero we will be assisting po. Nakalagay po sa aming post yung numbers na pwedeng tawagan, ang email na pwedeng makapag-send ng concern,” she said.

He said the DOH will ensure that its goals are aligned with the national government's health agenda which include health care reforms, healthier communities and life-style, convergent programs to address hunger and nutrition, pilot of Food Stamp Pro-

gram, school-based feeding program, routine vaccination catch up, among others.

At least PHP26.7 billion in funds have been released under the 2023 General Appropriation Act for the Health Facilities Enhancement Program.

**Merger plebiscite info drive  
in Bacoor to end July 27**

MANILA — The Commission on Elections (Comelec) on Tuesday reiterated that the information drive for the barangay merger plebiscite in Bacoor, Cavite will end on July 27.

Comelec spokesperson John Rex Lau-diango made the statement following the final joint security command conference for the plebiscite in Bacoor City.

"Plebiscite day po is July 29 at bawal na po mag-info campaign ng July 28 and 29 (The plebiscite day is on July 29, and information campaign is prohibited on July 28 and 29)," he told reporters in a Viber message.

Pursuant to city ordinance No. 275-2023, voters will have to decide on the merging of 44 barangays and the renaming of five other barangays in Bacoor.

The supposed ratification intends to improve barangay programs and services through the merging of smaller barangays.

The Comelec said around 114,416 registered voters from 49 barangays are expected to join the plebiscite.

Voters may cast their voters from 7 a.m. to 3 p.m. on Saturday at 22 designated voting sites in the city.

The Comelec said official polling centers are Bacoor National High School (Annex), Poblacion Elementary School, Bacoor Elementary School, Digmaan Elementary School, Sinaguelasan Elementary School, Mabolo Elementary School, Maliksi Elementary School, Mambog Elementary School, evacuation

center with covered court, Real Elementary School, Silverhomes I covered court and multi-purpose hall/day care center, Salinas Elementary School, City of Bacoor National High School-Salininas, Aniban Elementary School, Ligas II Elementary School, Ligas I Elementary School, Niog Elementary School, Gov. P.F. Espiritu Elementary School, Perpetual Village V covered court and multi-purpose hall, Talaba Elementary School, Zapote Elementary School, and Longos Elementary School.

Meanwhile, the Comelec on Monday called on the city government and law enforcement to assist the members of the vulnerable sector while they cast their votes.

In a video message, Comelec chairperson George Erwin Garcia said election authorities and staff should focus on securing convenient voting for elderly, pregnant women, and persons with disabilities (PWD).

"Kapag nagampanan natin nang maayos ang ating buong lakas na tulong, masasabi nating successful ang gagawin nating pagkakaroon ng plebisito (If we make this happen through our all-out assistance, we can say that we will have a successful plebiscite)," he said.

Once the majority of the votes go in favor of Yes, the affected 49 barangays shall be merged and dropped into 23, resulting in an overall 50 barangays, lower compared to the current 73 barangays in Bacoor. (PNA)

in the Philippines.

Lozada said the program has crafted at least 36 IPC-related policies to help the facilities respond to the needs at the frontlines all throughout the coronavirus disease 2019 (Covid-19) pandemic while being involved in the monitoring of clustering in health facilities as part of the strategies to mitigate infections among healthcare workers through the conduct of root cause analysis and provision of technical assistance.

In 2021, the Health Facility Profiling System was established in line with Administrative Order 2021-0032, the implementation of the Philippine Health Facility Development Plan.

The system enabled the identification of gaps in health facilities toward the system-wide

strengthening of health facility networks.

In 2022, the strategic plan for 2023 to 2028 was drafted by the health facility bureau together with key stakeholders including professional IPC societies, World Health Organization Western Pacific Regional Office and World Health Organization Philippines, Epidemiology Bureau for HAI Surveillance, National Antimicrobial Stewardship Program, Office for Health Laboratories, Infectious Disease Specialty Hospitals, and IPC Unit staff.

Under Proclamation No. 971 series of 2020, the second week of July every year is declared as National Infection Prevention and Control week and the second Saturday of July every year as Surgical Infection Prevention Day. (PNA)

## DILG Calabarzon pilots community garden in Dasmariñas

Trece Martires, Cavite (PIA) – A new community garden was unveiled in Dasmariñas City to encourage households and communities to grow fruits and vegetables from their backyards.

The establishment of a community garden in Barangay Langkaan 2 in Dasmariñas City on July 20 also marked the regional launch of the Department of Interior and Local Government-Calabarzon's HAPAG (Halina't Magtanim ng Prutas at Gulay) program.

Dasmariñas Mayor Jenny Austria-Barzaga welcomed the DILG's community project noting that it was in support of the city government's food security efforts which they started during the Covid-19 pandemic.

A project by the DILG in partnership with the Department of Agriculture, the community gardens encourage residents to plant fruits and vegetables in the barangay

and other open backyard spaces to address food insecurity by providing alternative and sustainable sources of nutritious food for Filipino families.

Director Ariel Iglesia of the DILG in Region IV-A said the HAPAG community garden complements the department's anti-illegal drugs BIDA (Buhay Natin Ingatan, Droga'y Ayawan) program.

"Naniniwala tayo na ang epekto ng ilegal na droga, gutom, at kahirapan ay magkakaugnay," Iglesia said.

Meanwhile, Redeliza Gruezo, DA field opera-

tions division chief, said the barangay community gardens will help families living in non-traditional food production communities to be resilient.

She noted that community gardens provide safe and nutritious food to household members, create alternative livelihood and help in solid waste management.

Launched in January 2023, DILG Secretary Benjamin Abalos Jr. asked barangays nationwide to create community gardens to promote sustainable agriculture initiatives. (Ruel Francisco, PIA-Cavite)

## Cavite celebrates the talents of persons with disabilities.

The Office of Provincial Persons with Disability Affairs Officer (OPD-AO) facilitated the celebration of 45th National Disability Prevention and Rehabilitation Week at SM City Dasmariñas, recently.

With this year's theme "Persons with Disabilities Accessibility and Rights: Towards a Sustainable Future where No One is Left Behind", the event aimed to promote inclusivity and uphold the rights of Cavite differently-abled individuals through a Singing Contest.

Ms. Richelle Valdez signaled the start of the program with her opening prayer song.

In her welcome remark, Ms. Editha Tayko, SM City Dasmariñas Mall Manager, gave encouraging words to the attendees, emphasizing that their disabilities should never hinder from accessing their rights and pursuing their goals for a sustainable future.

Likewise, Ms. Arlene Clemente, OPDAO Disability Program Coordinator, acknowledged the stakeholders who made efforts for the success of the celebration. Aside from that, Ms. Beth Go and Ms. Sarah Sta. Ana were also present as sign language interpreters.

Ms. Shiela Marie Haloc, Provincial Disability Affairs Officer, ensured the fairness and transparency of the competition

## Hand hygiene, simplest way to avoid infection: expert

MANILA – Healthcare workers and patients in hospitals are prone to infections and they can be best protected by basic hand hygiene.

In a media Kapihan forum on Friday, National Infection Prevention and Control (IPC) Program manager Dr. Charmaine Louise Lozada said basic hand hygiene involves hand washing using soap and clean water.

"Kung hindi available ang soap and water, puwede naman po gumamit ng (If soap and water are not available, you can use) hand sanitizer or alcohol-based hand rub as long as the hands are not visibly soiled," she said.

There are five hand hygiene moments for healthcare workers, she added. These must be observed before touching a patient, before a clean or aseptic procedure, after body fluid exposure risk, after touching a patient, and after touching patient surroundings.

Lozada disclosed that patients may acquire infections, which are not present at the time of their admission, during the process of care in a hospital or other healthcare facility.

These include catheter-associated urinary tract infections, central line-associated bloodstream infections, sur-

gical site infections, and pneumonia.

She said standard precautions must be practiced by the healthcare workers.

As for the proper and effective management of medical waste, Lozada said health facilities are instructed to appropriately label bins to allow for health care waste segregation and protection of patients and health care workers.

"One of the key components of health care waste management in health facilities is the waste audit," she said.

"So, it's an activity the health facilities conduct supervised by the regional offices and the
