DSWD launches 'uSAPtayo' online for SAP-related concerns

MANILA – The Department of Social Welfare and Development (DSWD) has provided a more efficient avenue for the public to learn more about the government's Social Amelioration Program (SAP).

On Thursday,

DSWD Secretary Rolando Joselito Bautista announced the launching of www.usaptayo.dswd.gov.ph, a platform that enables the public to ask questions, submit their grievances, or even send suggestions for the implementation of

SAP.

“Hindi naman lingid sa inyong kaalaman na hindi naging madali ang ating pagpapaabot ng tulong sa ating mga kababayan sa panahong ito ng pandemya. Kaya't ilang problema ang patuloy

Palace to ensure release of health workers' hazards pay

MANILA – Malacañang on Thursday vowed to prevent delays in the release of hazard pay and other benefits of medical front-liners following reports that a nurse from Cainta, Rizal died of coronavirus disease 2019 (Covid-19) without receiving such.

In a virtual Palace briefing, Presidential Spokesperson Harry Roque offered sympathies to the family of Cainta Municipal Hospital nurse Tess Cruz who reportedly received Covid-19 hazard pay of only PHP64 per day for 41 days.

Under

Administrative Order 26, a Covid-19 hazard pay of PHP500 per day should be given to government workers, including healthcare workers, who physically report for work.

Roque said he would “personally” ensure that Cruz receives the PHP1-

million compensation for healthcare workers who succumbed to the disease as mandated by the Bayanihan Law.

“I wish to condole with the family of the deceased nurse. Bagamat hindi po nakuha on time at yung ine-expect nilang hazard pay, sisiguraduhin ko po

ngayon personally na makukuha yung ayuda na ibinibigay po sa health front-liners na namatay po dahil sa Covid (Even if she did not receive the hazard pay on time and in the expected amount, I will personally make sure that they get the assistance given to health front-liners who died from Covid),” he said.

From now on, he emphasized that all medical front-liners will receive their Covid-19 hazard pay

and other benefits on time.

“Sisiguraduhin natin na ang ganitong delay ay hindi mangyayari (We will make sure that this type of delay will no longer happen),” he said.

The Department of Health (DOH), he said, will have to guarantee that local hospitals also comply with the Administrative Order 26 on the release of Covid-19 hazard pay.

Roque clarified that he did not necessarily

NTF: Increase bed capacity for COVID-19 patients in Cavite

GENERAL TRIAS, Cavite, -- The Coordinated Operations to Defeat Epidemic (CODE) Meeting was held Thursday in General Trias with officials from the local government of Cavite, Inter-Agency Task Force for the Management of Emerging Infectious Diseases (IATF-EID),

and NTF COVID-19. During the meeting, the national government urged local counterparts and hospitals in their jurisdictions to increase their bed allocation for coronavirus disease (COVID-19) patients to at least 30% of their total capacity.

Health Secretary Francisco Duque III said that some LGUs

have reported a high utilization rate of their hospital, of which the number of allocated beds for each facility should be considered.

Also present during the event were National Action Plan Against COVID-19 Deputy Chief Implementer Secretary Vince Dizon, Department of Trade and Industry (DTI)

(Turn to p. 2)

Communications Secretary Martin M. Andanar, Tracing Czar Baguio City Mayor Benjamin Magalong, Health Secretary Francisco Duque, Cavite Governor Jonvic Remulla, and NTF Deputy Chief Implementer Secretary Vince Dizon led the meeting with the local government units in Cavite on August 13, 2020.

hold the Cainta municipal government accountable, recognizing that the grant of Covid-19 hazard pay to healthcare workers will depend on the financial capability of their local governments.

“Yung AO kinikilalarin na iba-iba yung kakayahan ng iba’t-ibang local na pamahalaan na magbigay ng ganitong hazard pay. Nagkataon po siguro na hindi kaya na magbigay ng siyudad ng Cainta ng PHP500 (The AO recognizes that local governments have different financial capabilities to provide hazard pay. Perhaps it just so happens that the municipality of Cainta does not have the capability to give PHP500),” he said.

He expressed hope that the DOH would be able to provide assistance to local hospitals which are struggling financially.

“Siguro magsurvey kung ilan talaga yung mga nakaka-comply sa mga lokal na mga hospital at titingnan po natin kung

pupuwedeng maibsan yung kakulangan na ‘yung DOH kung merong pamamaraan dahil meron din pong mga legal restrictions siyempre (Perhaps we can conduct a survey to find out how may local hospitals can comply and find out how the DOH can mitigate what local hospitals lack if there are ways because there are also legal restrictions),” he said.

Meanwhile, Roque assured that there are no other displaced workers in government besides the 100 Light Rail Transit (LRT) Line 1 employees recently laid off due to a 90 percent drop in passengers.

“Wala pa naman pong ahensiya ng gobyerno na naglay-off. It’s mostly private po (None of the government agencies are laying off workers. It’s mostly private),” he said.

He said workers who have lost their jobs due to the pandemic may consider working for government. (By Azer Parrocha/PNA)

pa ring kinakaharap ng ating tanggapan at maging ng ating mga benepisyaryo. Upang mapanatili ang ating ugnayan sa lahat, binuksan namin ang aming mga linya ng komunikasyon tulad ng text, tawag, email, at social media. Amin pang pinaigting at pinalawak ang kampanyang ito sa pamamagitan ng paglunsad ng uSAP Tayo portal (We have all witnessed that the distribution of aid was not as smooth flowing at

the time of the pandemic. The department and the beneficiaries still have problems that’s why we opened our lines of communication such as through text, calls, e-mail, and social media),” he said.

The move is in response to common complaints and concerns of the public on the program, such as the ineligibility of other beneficiaries, violations of the distribution process, and delay in the distribution of the aid,

Secretary Ramon Lopez, Department of Labor and Employment (DOLE) Secretary Silvestre Bello III, Presidential Communications Operations Office (PCOO) Secretary Martin Andanar, and Tracing Czar Mayor Benjamin Magalong.

Locally produced reusable/washable face masks for the vulnerable

The government has reached out to local sewing cooperatives to mass produce reusable and washable face masks that will be distributed nationwide.

In response to President Rodrigo Duterte’s directive to ensure safety of the public, the Inter-Agency Task Force for the Management of Infectious Diseases (IATF-EID) and the National Task Force Against COVID-19 will be distributing a total of 20 million face masks to the poor families and vulnerable sectors.

The NTF is pushing to give out 10 million more from the initial

among others.

In the landing page of the portal, one can choose from the options: talk and Follow-up.

They can also choose whether to access the portal using Filipino or English for their own convenience.

Agency Operations Center Director Ferdinand Budeng said the uSAPtayo website is accessible 24/7.

“Grievance officers encode the submitted messages for disposal within 3 days,” he mentioned adding that there may be an exception to issues that are more complex and may be referred to other concerned offices of authorities.

“Any grievance received either through online registration or call center is encoded in the

target. The team also turned over test kits and hygiene kits to beneficiary LGUs.

No ECQ for Calabarzon. The Calabarzon region will not be reverted to Enhanced Community Quarantine after August 18, Sec. Duque clarified, stressing that the rumors are baseless.

“Wala pong katotohanan ‘yan. That is baseless. Hindi po ito ilalagay under ECQ [That’s not true. That is baseless. It will not be placed under ECQ],” he said, urging participants not to fall for rumors without validating the information.

Also, Cavite Governor Jonvic Remulla Jr., in an interview, backed that it would be “disastrous” to the economy to place the province back to the strictest measure as more families will experience poverty.

He instead recommended an intensified information dissemination to the Filipinos through programs of the national government and be

portal and a unique reference number is generated which can be used to follow-up and track progress of the filed complaints,” Budeng said.

Aside from the website, the secretary informed that the hotline numbers and their e-mail address are still active and officers are attending to queries.

For messaging, the public may contact: 0918-912-2813 while the other mobile numbers are provided to cater to calls: Smart telecom users may reach 0947-482-2864; Globe telecom users; and 0932-933-3251 for Sun telecom users.

Their email address also remains: sapgrievances@dswd.gov.ph. (By Christine Cudis/PNA)

reinforced by the LGUs.

“Ang importante po kasi dito basta nagdeclare tayo ng isang state of quarantine ay hindi nawawala yung awareness nung mga tao [What’s important here is that we make sure the people are aware whenever we declare a state of quarantine],” he said.

With the proliferation of false information, Presidential Communications Operations Office (PCOO) Secretary Martin Andanar assured that the premier communications arm of the government remains duty-bound to provide timely and accurate news and information to all sectors through its media platforms and attached agencies.

“Ang PCOO po ay nasa likod ng national government, at gayundin po ng lalawigan ng Cavite [PCOO will always be right behind our national government and the province of Cavite]. We are just one phone call away,” he said.

He discussed that, aside from online and

radio/TV programs, the PCOO also helps produce informational collaterals such as the posters and brochures in support of the national government’s bid for the public to adapt behavioral changes.

These include constant reminders on the minimum health standards that everyone must observe, such as the wearing of face masks, observance of safe physical distancing, and practicing proper hygiene.

Sec. Andanar also urged everyone to be responsible with the information that they share.

Kailangan po ay responsable tayong nagsi-share ng ating mga balita. Kailangan din po tayong matuto na ang pagiging accurate at responsible eventually will result to information that is effective for all of us [We must be responsible in sharing news and information. We must know that being accurate and responsible eventually will result to information that is effective for all of us],” he added. (PCOO)

YOU ARE TRULY SAFE AT SM CITY BACOOR

SM CITY BACOOR,

CAVITE – Making a living and earning enough for the family is one struggle for us living in a third world country. The early morning grind and some sidelines just to make ends meet are indeed tiring. But what could have happen if your hard-earned money falls into the wrong hands? Good thing we have honest Security personnel roaming around SM City Bacoor to return whatever belonging they retrieve from inspections.

This is what happened recently when SG Vicente P. Pamittan of Defense Specialist Security Agency Inc., assigned as SMERT and Safety Protocol Officer endorsed to CRS Office thousands of cash he recovered unattended in front of Mall entrance 2. "Bilang isang tapat na Security Guard sa SM at may sinumpaang tungkulin sa kumpanya kung saan ako naglilingkod nararapat lamang na ibalik and mga ito malaki man o maliit na bagay o halaga," said SG Pamittan who never hesitated nor had any thought of keeping the money he found despite of the pandemic. "Masarap sa pakiramdam na makatulong sa kapwa, isang malaking karangalan hindi lamang sa aking sarili at pamilya kundi para na rin sa kumpanyang aking pinaglilingkuran."

His deed is reflective of SM's Corporate value of honesty and integrity and bespeaks well of the attribute of a good member of SM Security force, worthy of praise and emulation. SG VICENTE P. PAMITTAN brought honor and pride not only to himself, his family and security agency but also to SM group of companies as well.

**SM FOUNDATION INC. AND
SM SUPERMALLS CAVITE'S
OPERATION TULONG
EXPRESS ROLLS AGAIN**

SM Foundation through SM Supermalls in Cavite once again conducted Operation Tulong Express (OPTE) in several areas in Cavite that benefitted tricycle and jeepney drivers who were jobless due to the suspension of its operation, and the nearby community amid COVID-19 Pandemic.

In accordance with the declaration of Enhanced Community Quarantine all over NCR and Cavite on March 2020 that aimed to alleviate spread of the virus, government suspended operations of Public Transportation such as Tricycle and Jeepney operations. This suspension brought too much worry to the drivers who were breadwinners and who were just getting means of living through everyday trip.

Due to this unexpected occurrence, apprehension and depression came into some of the drivers that led them begging in the street for some help and assistance. They are one of the most affected sectors of this pandemic who really needs attention and help. That is why SM Foundation through SM Supermalls Cavite and all the SM Supermalls nationwide thought of giving Kalinga Packs to the TODA Federators and Driver Operators near SM Cavite Malls- SM City Bacoor, SM City Dasmariñas, SM Marketmall, SM City Rosario, SM City Molino, SM City Trece Martires and SM Center Imus. This small gesture of kindness will somehow ease their burden and give them hope in the future. Moreover, OPTE reached other groups as well in nearby communities. Over 2,000 Kalinga Packs and more than 500 packs of rice were given.

"Ito pong aming Barangay ay lubhang nasalanta nitong pandemya, kaya malaking tulong po ang nagawa sa amin ng SM, para sa ayuda na natanghap namin ngayong araw na ito. Maraming maraming salamat SM!" said, Capt. Elmer Pagkawalinggan of Brgy. Wawa 3, Rosario Cavite.
