DA to launch cheaper, healthier rice

MANILA – The Department of Agriculture (DA) is set to sell healthier and cheaper rice options called “Sulit” and “Nutri” rice in 2025.

In a recent interview, DA Secretary Francisco Tiu Laurel Jr. said both options would be available in Kadiwa ng Pangulo (KNP) stores to benefit more Filipinos.

The “sulit” rice, which

is 100 percent broken but white, will be sold at PHP35 per kg. to PHP36/kg. while “nutri” rice, which is neither white nor brownish local rice, will be sold at PHP36/kg to PHP37/kg.

“Pero yung (But) 100 percent broken comes from the good variety of rice, imported rice yan (that’s imported rice). Pero siyempre, kung may (But of

course, if there will be) local sources, we may buy local,” Tiu Laurel said.

“Available na siya dito sa importer and kinakain namin sa DA ngayon iyan, masarap siya, puting-puti (It’s already available here from importers and we at the DA are eating it. It’s delicious, it’s really white).”

while, said that he's also consuming the nutri-type of rice, which he said he personally prefers due to its health benefits.

"To be honest with you, sa bahay ko, yan ang kinakain namin kasi mas okay. Ako, diabetic ako. When I eat it, hindi nagsa-spike ang sugar ko (At home, that is what we are consuming because it's better. I'm diabetic. When I eat it, my sugar level does not spike). Then, it's more filling," Tiu Laurel said.

Unlike the typical retail rice, which undergoes the "three pass" milling process, the nutri rice is only subject to one pass.

"Iyong pag three pass na yan, nawawala lahat ng minerals, nutrients, plus fiber, nawawala iyan. Sa one pass, lahat ng nutrients and fiber nandyan pa rin (In the three pass, all minerals, nutrients, plus fiber are gone. But in one pass, the nutrients and fiber are still there)," Tiu Laurel said.

It also poses a higher milling recovery of 78 percent, higher than the 63 percent recovery from the three pass milling of palay.

The DA is set to launch the sale of "sulit rice" in January and the "nutri rice" by mid-2025.

Cheaper rice for all

The DA is likewise set to use its PHP5 billion worth of approved fund for the KNP.

"I just found out na lumabas na iyong letter (the letter has been released) from the OP (Office of the President) allowing us to use the PHP5 billion for Rice for All at

P29," Tiu Laurel said.

"So, starting January, sabi ko (I said), latest Jan. 15, we will be buying rice from the traders, the farmers, farmer cooperatives, from the importers, and sell it through the Kadiwang Pangulo at hopefully PHP38, PHP39," he added, citing lower price target that the usual price of Rice for All in KNPs.

The Rice for All refers to the sale of PHP40/kg. mixed local and imported commercial well-milled rice; while the P29 is the sale of the aging but good quality stocks of National Food Authority (NFA) rice at PHP29/kg. to the vulnerable sector, including members of the Pantawid Pamilyang Pilipino Program (4Ps), senior citizens, solo parents, and persons with disabilities (PWDs).

Of the PHP5 billion, the DA earlier said it would allocate about PHP3 billion for Rice for All; PHP1.5 billion for P29 or the sale of PHP29/kg. of aging but good quality stocks of rice from the National Food Authority (NFA) for the disadvantaged sector; and PHP500 million for rehabilitation of warehouses and logistics cost.

To date, the DA targets to operationalize 170 KNP Centers and kiosks before the year ends, 300 by mid-2025, and 1,500 before the Marcos term ends.

To date, some KNP Centers and kiosks are operating in public markets and LRT and MRT stations in Metro Manila. (PNA)

protect their rights and welfare.

Marcos made the vow, as he recognized the OFWs' contributions to the country's economy and sacrifice to give their families a better future.

"Upang masiguro na protektado at ligtas na naninirahan ang eating mga kapwa Pilipino sa ibayong dagat, mas pinapaigting din naming ang kooperasyon at pagkakaroon ng mabuting relasyon sa iba't ibang mga bansa (To ensure that our fellow Filipinos overseas live protected and safe, we are also strengthening cooperation and good relations with various countries)," he said during the Pamaskong Handog Para sa Pamilyang OFW at Malacañan Palace in Manila.

Marcos said the government will continue to implement programs aimed at improving the lives of the OFWs and their families, including scholarship grants for their children and livelihood assistance for returning migrant workers.

He also mentioned the recent inauguration of the Bagong Pilipinas Cancer Care Center of the OFW Hospital in the City of San Fernando, Pam-

panga, and the establishment of the OFW lounge at the Ninoy Aquino International Airport Terminal 3.

"Narito kami upang isulong ang inyong mga karapatan at upang tugunan ang inyong mga pangangailangan, Narito ang ating Department of Migrant Workers, Overseas Workers Welfare Administration (OWWA), kasama ang iba't ibang sangay ng ating pamahalaan, kasama ang konsulada at embahada sa iba't ibang bahagi ng mundo upang siguruhin ang kapakanan ng ating mga OFW, kasama na ang skanilang mga pamilya (We are here to promote your rights and meet your needs. Here is our Department of Migrant Workers, Overseas Workers Welfare Administration, together with the various branches of our government, along with consulates and embassies in various parts of the world to ensure the welfare of our OFWs, including their families)," Marcos said.

Marcos also hailed the OFWs' talent, compassion, and dedication to work, saying their values have helped shape the country's good image.

"Kaya napakaganda

ang naging reputasyon natin. Hindi ko na kailangang ipagmalaki ang Pilipinas. Ang mundo ang nagmamalaki sa Pilipino sa akin. Kayo ang naging katunayan na kayang-kayang makipagsabayan ng mga Pilipino sa talent, sa talino, sa husay ng mga pinakamagagaling sa mundo (That's why our reputation has become so good. I don't need to be proud of the Philippines. The world is proud of Filipinos, to me. You are proof that Filipinos can compete with the talent, the intelligence, the skill of the best in the world)," he said.

"Higit pa Riyan, ang tulong na inyong binabalik sa ating bansa sa pamamagitan nang pagpapadala ng mga remittance ay talaga naming hindi mapapantayan (More than that, the help you give back to our country through your remittances is truly incomparable)," Marcos added.

Around 500 OFWs and their families went to Malacañan for the annual Pamaskong Handog para sa Pamilyang OFWs, which was expected to be a festive event.

During the event, Marcos presented certificates of recognition to several OFWs and led the ceremonial turnover of housing units under the Pam-bansang Pabahay Para sa Pilipino Program to five OFW beneficiaries.

Fifty beneficiaries also received financial assistance under the Livelihood Program for OFW Reintegration to enable to jumpstart their own small business as their reintegrate into their community upon returning to the country.

Noche Buena packages for the families and backpack bags for the OFWs' children were also given during the event. (PNA)

said in a news release.

"We ensured funding for this in the General Appropriations Act (GAA) or the 2025 National Budget. I coordinated with the Department of Budget and Management to secure the funds. Now, it's up to the NCSC to implement it and make sure no senior is left behind," he said.

The senator noted that approximately 200,000 senior citizens

stand to benefit from the law.

Early this month, the NCSC announced that senior citizens who turned 80, 85, 90, or 95 from March 17, 2024, or when RA 11982 became effective, until Dec. 31, 2024 may start their application.

However, their names would still be placed on the waiting list until the funds are released next year. (PNA)

CICC warns public vs. paid SIM registration services

MANILA – The Cybercrime Investigation and Coordinating Center (CICC) warned the public on Tuesday against using paid subscriber identity module (SIM) registration services found on social media.

In a statement, CICC Executive Director Alexander Ramos said there is a proliferation of "dubious social media accounts" that offer SIM registration services for a minimal fee.

He said third parties offering such services might use personal information for other purposes.

"The SIM registration process is not that complicated and

there is no need to hire a third party to do it for you. Do not be deceived by those offering to register your SIM," Ramos said.

He reminded mobile users to register their SIM cards personally with their networks, which require government-issued identification and selfie.

One social media page offering a paid SIM registration

service was named "DITO Telecommunity Corporation."

However, mobile service provider DITO disowned the social media account.

Considered as the highest and most prestigious citation in Philippine tourism, the PTA is part of the DOT's initiative to honor local government units, academe, private companies, and other stakeholders that have shown excellence in the development and promotion of the country's tourism sector.

According to DOT Regional Director Marites Castro, the PTA has two main categories: the Tourism Pillar Awards, which provide special recognition to individuals, enterprises, and destinations that have contributed to the Philippine tourism industry and the 50-year establishment of the Philippine Department of Tourism.

"Giving recognition plays a crucial role because it inspires people to strive more, it also changes their outlook when it comes to tourism. While some may think that tourism is easy, it actually

requires commitment, dedication, and the collaborative effort, especially from our LGUs," Castro said.

On the other hand, the Tourism Industry Awards is a national recognition for both private and public sectors involved in the development and promotion of the Philippine tourism industry, further categorized into institutional, individual, media and tourism product.

Hailed as the Tourism Destination of the Year, Calamba City through its Cultural Affairs, Tourism and Sports Development Department (CATSDD) Head Karla Boholano said the local government recognizes the distinction as a testament to their relentless efforts in promoting the city's cultural heritage.

"It is an honor, a great privilege for the local government of Calamba, under the

leadership of our Mayor Ross Rizal. This is a proof that we continue to uplift the tourism industry in the city of Calamba," she added.

Boholano said that when they were invited to join the PTA, they set their sights on heritage tourism and improved its health and wellness tourism sector to boost Calamba's claim as the hot spring resorts capital of the Philippines.

In addition to Calamba, the city of Biñan was also awarded as the Tourism Destination of the Year for its efforts in promoting the importance of embracing culture and heritage as a foundation for a progressive future.

Overall, 24 LGUs, hotels, resorts, and companies in the Calabarzon region have received PTA distinctions from the DOT Region IV-A. (CO/PIA-4A)

MPTC to Fortify Efforts in Promoting Safer Roads for Children

Metro Pacific Tollways Corporation (MPTC) continues its commitment to promoting sustainable and inclusive growth through its tollway operations by integrating child rights and road safety into its core initiatives.

Over the years, its business units — NLEX, MPT South, CCLEC, and MPT Mobility — have launched impactful programs, educational campaigns, and partnerships aimed at fostering a brighter future for young generations. "As a company and as individuals dedicated to fostering economic and social development in our communities while minimizing our environmental impact, we stand united with various socio-civic organizations and the private sector to further this mission. Together, we strive to uphold children's rights — ensuring they are heard, empowered, and provided with a safe and healthy environment. At MPTC, our goal is to create safer roads for our children, enabling them to pursue their future and lead healthy, happy, and productive lives," stated Atty. Cynthia Casino, Chief Corporate Governance and Head of Sustainability at MPTC.

In line with MPTC Group's road safety efforts, NLEX Corporation launched a picture book titled "Ang Bida ng Kalsada" at the National Library of the Philippines to educate young minds on the values of responsible road usage. Featuring

engaging stories and illustrations, the book aims to teach children about road safety. NLEX Corp. has distributed 2,000 copies to Grades 3-6 students in 20 public schools within its host communities and to other organizations.

MPT South also launched an updated version of its "Bayaning Kalsada" (Bayani Ka) book that teaches kids about road signs and familiarizes them with road safety, both in and out of expressways. The book has reached over 1,000 students, with over 420 copies of the updated book donated to participating schools, various libraries, and institutions.

On November 20, MPTC lit several of its key structures in blue to demonstrate its commitment to creating safer roads for children in celebration of World Children's Day. These structures included NLEX Corporation's headquarters in Balintawak, Caloocan; the NLEX Drive and Dine motorists' rest stop in Valenzuela; MPT South's LEED Gold-Certified South Hub in Imus City, Cavite; and the iconic Cebu-Cordova Link Expressway in Cebu.

As part of this initiative, MPTC also

echoed the message of this year's World Children's Day by utilizing its expressway network assets through billboards that promote road safety for children and highlighting its shared commitment to provide a safer and empowered future for them. This message was also replicated on its online channels with the help of its business units.

MPTC took a significant stride this year to further integrate Child Rights and Business Principles (CRBP) across its organization and reinforce its commitment to child rights and safety. The company held a four-day workshop in partnership with the Ateneo Human Rights Center (AHRC), with key representatives from its sister companies PLDT Inc. and Smart Communications, Inc. To fortify its efforts, the organization is also preparing for its initiative to conduct a Child Rights Impact Assessment (CRIA) in 2025. MPTC Group's campaigns on child road safety have been recognized by numerous organizations, including the Department of Health's Healthy Pilipinas Gold Award, the Asia CEO Awards, and the prestigious ESG Business Awards 2024.
