8,402 jobs up for grabs in Cavite, Laguna

MANILA – Around 8,402 job openings are still available in Cavite and Laguna provinces, Malacañang said on Wednesday.

Malacañang backs stronger NFA market powers

MANILA – Malacañang on Wednesday expressed support for the restoration of the National Food Authority's (NFA) power to directly import rice to strengthen its market capability.

In a press briefing, Palace Press Officer Claire Castro acknowledged the challenges faced by the grains agency after it lost the power to im-

port rice directly due to the Rice Tariffication Law.

She said the NFA is now hampered by the requirement to go through local government units (LGUs) before acting on rice importation needs.

"Maganda sana po kung mabigyan muli ng authority ang NFA kasi nawalan po tala-ga sila ng power para po umangkat ng bigas.

Sa ngayon po, lahat ng gagawin ng NFA dapat munang dumaan sa LGU. Hindi kasi nakakadirekso ang mga farmers, daraan muna sila sa LGUs (It would be better if the NFA will have its power to directly import rice back. At present, everything they do must go through the LGUs. The farmers cannot go directly to them),"

Malacañang on Wednesday (March 26, 2025) said it supports calls for the restoration of the NFA's function to directly import rice after it was removed as a result of the enactment of the Rice Tariffication Law in 2019. BJMP, Dasmariñas City to build 'modern' jail facility

MANILA – The Bureau of Jail Management and Penology (BJMP), in partnership with the Dasmariñas City government, will construct a modernized prison facility designed to significantly reduce the city's jail congestion rate from 3,333 percent to just 46 percent.

In a statement on Wednesday, BJMP Chief Jail Director Ruel Rivera said the new Dasmariñas City jail facility is a testament to the bureau's unwavering commitment to jail decongestion and humane treatment of persons

deprived of liberty (PDLs).

"Kung malaki na ang epekto sa isang tao na mawalan siya ng kalayaan, ano pa kaya kung madagdagan ito nang masikip na selda, na siyang pinag-uugatan ng maraming pang isyung nakaka-apekto sa pisikal at emosyonal na kalusugan ng ating mga kapatid na nakapiit? (If the loss of freedom has a significant impact on a person, what more can be said about the addition of overcrowded cells, which are the root cause of many other issues affecting the physical and emo-

tional health of our imprisoned brothers and sisters?)," Rivera said.

On Tuesday, Rivera

led the groundbreaking ceremony of the new jail facility, which is set to be completed in February 2026.

Under the usufruct agreement signed by the BJMP and Dasmariñas City on Nov. 12, 2021, the facility will be built on a 5,464-square-meter lot in Barangay Langkaan 2.

The agreement is valid for 25 years and renewable upon mutual consent.

"Pagkatapos po ng proyektong ito, makaaasa po tayo na mula sa 3,333 percent

na congestion rate ng Dasmariñas City Jail, ay magiging 46 percent na lamang ito (After this project, we can expect that from the 3,333 percent congestion rate of the Dasmariñas City Jail, it will only be 46 percent)," he said. "Our PDLs here will definitely be in a much better place."

Castro said.

Castro said the NFA should have more direct control over rice imports to better respond to market needs and support local farmers.

“Mas maganda po talaga na mas mabigyan ng power ang NFA. I hope mapag-aralan ito ng Kongreso, itong Rice Tariffication Act, para maayos at mabigyan ng tamang authority ang NFA (It would really be better for the NFA to have that power again. I hope Congress could review the Rice Tariffication Act to once again empower the NFA),” she said.

The Department of Agriculture has been calling for the restoration of the NFA’s market regulatory

functions as a means of making rice cheaper.

The Rice Tariffication Law, enacted in 2019, liberalized rice imports and removed the NFA’s authority to intervene in the rice market, replacing it with a system of tariffs.

The law barred the NFA from releasing its rice reserves onto the market. It also revoked the NFA’s licensing powers over rice market participants.

However, the law has been met with criticism for reducing the NFA’s ability to regulate rice prices and ensure adequate supply, particularly during lean months. (PNA)

Take part in vax drive vs. measles, Palace urges public

MANILA – Malacañang on Wednesday called on the public to participate in the “Bakunahan sa Purok ni Juan,” an intensified measles catch-up immunization program.

Presidential Communications Office (PCO) Undersecretary and Palace Press Officer Claire Castro said the measles catch-up inoculation drive is carried out in health centers in the cities of Caloocan, Quezon, Taguig, Manila, Mandaluyong and Las Piñas.

“Baka po ‘yung ibang mga magulang or guardians ay hindi pa po alam na mayroon po tayong (Maybe some parents or guardians don’t know that we have) ‘Bakunahan sa Purok ni Juan,’” Castro said in a press briefing.

“Kung ang kababayan po natin ay may

mga panahon, punta lamang po sila sa mga health centers at maiaavail po nila itong pagbabakuna especially po sa sinasabi nating tigdas (If our countrymen have the time, they can just go to the health centers and avail themselves of this vaccination, especially for what we call measles),” she added.

Castro encouraged parents or guardians to have their children vaccinated against measles.

She said there will be another immunization activity against the disease in other parts of the country in the second quarter of 2025.

The ‘Bakunahan sa Purok ni Juan’ aims to increase immunization coverage by providing catch-up immunization to protect communities and vulnerable

and Palace Press Officer Claire Castro said jobseekers may apply for the vacant positions offered during the recent job fair held in Dasmariñas, Cavite and Biñan, Laguna.

“May available pong jobs sa Dasmariñas 4,120 at sa Biñan po ay 4,282 (There are still 4,120 jobs available in Dasmariñas and 4,282 in Biñan),” Castro said.

BJMP...FR. P. 1

Barangay Buro 2 is one of the most congested facilities under the BJMP with a combined congestion rate of 3,333 percent.

The jail’s male dormitory houses 1,270 PDLs with a congestion rate of 1,133 percent, while the female hall holds 248 PDLs, with a congestion rate of 2,200 percent.

With the completion of the new facility,

populations from vaccine-preventable diseases such as measles.

The Department of Health (DOH) earlier called on the public to get children under 2 years old vaccinated against measles-rubella, as it warned that an infected individual may spread the disease to up to 16 children.

Based on the data from the DOH, a total of 922 measles-rubella cases have been recorded from Jan. 1 to March 1 this year, up by 35 percent from 683 cases logged in the same period in 2024.

From Feb. 2 to March 1, an increase in cases was observed in the Metro Manila, Cordillera Administrative Region, Ilocos, Bicol, Western Visayas and Soccsksargen.

Castro noted that only 63 applicants in Dasmariñas and 45 in Biñan were hired on the spot in the job fairs organized by the government.

President Ferdinand R. Marcos Jr. led the “Trabaho at Serbisyong Pangkalusugan sa Bagong Pilipinas” job and health fair in the two provinces last week.

In February, Marcos

Rivera said these figures are expected to decrease dramatically to 31 percent for the male dormitory and 15 percent for the female dormitory.

The new Dasmariñas City Jail will also feature an infirmary, training and livelihood spaces, Alternative Learning System (ALS) and worship areas, and a designated visitation area. (PNA)

The DOH noted that about 625 or 68 percent of the total cases are not vaccinated against the disease.

Measles could lead to serious complications like pneumonia, brain infection, and death, especially among children under 5 years old when not treated.

Heat index

Meantime, Castro said the government would also carry out several initiatives to keep the public safe from heat-related health risks.

Castro said the DOH has already issued a memorandum, outlining measures to beat the health impact of dangerous heat index.

“Magkakaroon po ng katulad ng BUCAS (Bagong Urgent Care and Ambulatory Ser-

vowed to expand job fairs nationwide to create more employment opportunities, particularly for beneficiaries of the Pantawid Pamilyang Pilipino Program (4Ps) and the Tulong Panghanapbuhay sa Ating Disadvantaged/Displaced Workers (TUPAD) program.

During the job and health fair in Laguna, Marcos expressed elation over the high number of jobseekers who were hired on the spot, saying the event in the province was the “most successful” so far.

The Department of Labor and Employment is collaborating with various partner government agencies and the private sector in holding nationwide job fairs to sustain

post-pandemic employment gains and drive economic transformation.

In Metro Manila, job fairs will be held in Quezon City, Makati, Pasay, Las Piñas, Manila and Valenzuela until March 31.

The country’s employment rate reached 95.7 percent in January 2025, slightly improving from 95.5 percent in the same period last year, according to the Philippine Statistics Authority’s latest data.

In terms of actual figures, around 48.49 million Filipinos were employed in January 2025, an increase from 45.90 million in January 2024 and 48.16 million in October 2024, respectively. (PNA)

8 towns in Calabarzon tagged
as ‘areas of concern’

CALAMBA CITY (PIA) — The Police Regional Office in Southern Tagalog has identified eight election hotspots or areas of concern for public security ahead of the 2025 National and Local Elections.

During a meeting with the Calabarzon Regional Peace and Order Council (RPOC) on March 20, police identified several municipalities in Laguna, Batangas, and Quezon as Election Areas of Concern (EAC).

Police identified the towns of Sta. Maria in Laguna; Mataas na Kahoy, San Jose, Taal, and Tanauan City in Batangas; and Candelaria and San Francisco in Quezon Province as “yellow” election areas of concern.

Meanwhile, Tagkawayan is the only municipality placed under the Orange category.

Meanwhile, the remaining 128 areas in

the Calabarzon region were classified as green areas, indicating no security concerns and a relatively peaceful and orderly environment for the upcoming elections.

Under Comelec Resolution No. 11067 stated that the Philippine National Police (PNP) and Armed Forces of the Philippines (AFP) are authorized to classify all areas in the country under four categories: green, yellow, orange, and red.

The areas under the green areas have no security concerns and are relatively peaceful and orderly for conducting elections.

Yellow areas are those that have reported suspected election-related incidents in the last two elections, provided there was no participation of domestic terrorist groups.

Orange areas exhibit a combination of two or more factors under the yellow category

DTI Laguna, Partner Agencies Team-up for Kadiwa ng Pangulo in San Pedro City

San Pedro City – The Department of Trade and Industry - Laguna Provincial Office (DTI-Laguna) extended its full support to the government's flagship farm-to-consumer program Kadiwa ng Pangulo (KNP), held on February 15, 2025, at Mangosteen Street, Barangay Pacita 2, San Pedro City, Laguna.

This is in partnership with the City Government of San Pedro, Department of Agriculture (DA), Department of Social Welfare and Development (DSWD), Department of Labor and Employment (DOLE), and Department of the Interior and Local Government (DILG).

The program started with an opening prayer from Mr. James Richard, followed by welcome remarks delivered by Hon. Barangay Chairman Gary Santos. National Government Partners, through their representatives, Ms. Fatima Mercado Alon of DILG and Frances Marie Orquia-Fajardo of DA, delivered messages of support to the Kadiwa program.

DTI-Laguna, represented by Negosyo Center Business Counselor Nikki Rose Mercado Repol, emphasized that the goal of Kadiwa is to provide Filipino consumers with access to affordable, high-quality produce from local farmers, as well as manufactured products. This is in line with DTI's commitment to support the government's efforts to stabilize the prices of essential goods, and help strengthen micro, small and medium enterprises (MSMEs) by giving them access to manufacturers, cooperatives, fishermen and other sectors in the agricultural industry.

Furthermore, Engr. King Layola of City Agriculture Office of the City Government of San Pedro delivered the closing remarks expressing his sincerest gratitude to all the merchants, partner agencies, and patrons for the overwhelming support in the launch of Kadiwa program.

A total of 20 government-assisted local businesses from the CALABARZON region participated to offer their food and non-food products at the local Kadiwa caravan. Besides ensuring the accessibility to cheaper agricultural commodities, the agencies coordinated with some food manufacturers to supply other goods like cooking oil, fresh fish, and poultry products, among others. From agricultural and fishery commodities to local made and ready-to-eat goods, Kadiwa has brought San Pedro residents an opportunity to purchase affordable and high-quality basic necessities and prime commodities.

Participating enterprises from DTI include Puregold Price Club Incorporated, Green Ribbon Food Manufacturing, and Jingays Gourmet. In addition, partner agencies tapped the country's farmers' cooperatives and associations, which include Majayjay Organic Farmers Association, Valentin Integrated Farm, General Trias Dairy Raisers Multi-Purpose Cooperative, Cafe Amadeo Development Cooperative, Batangas City Rural Improvement Club Marketing Cooperative, and SPAWN (San Pedro Agri-Workers Network). In addition, Samahan Ng Kababaihan Ng Laguna - Maryland Chapter and BJMP (Bureau of Jail Management and Penology) were also given the opportunity to showcase handmade crafts and products proudly made by their members.

PBBM Inspects CALAX Governor's Drive Construction Progress

March 21, 2025 – President Ferdinand R. Marcos Jr. led an inspection of the ongoing construction of the Cavite-Laguna Expressway (CALAX) Governor's Drive Interchange, reaffirming the administration's commitment to enhancing the country's road infrastructure.

The President assessed the progress of this vital expressway project alongside Department of Public Works and Highways (DPWH) Secretary Manuel M. Bonoan, Department of Transportation (DOTr) Secretary Vivencio B. Dizon, Department of Interior and Local Government (DILG) Secretary Jonvic C. Remulla, Cavite Governor Hon. Athena D. Tolentino, General Trias Mayor Hon. Luis "Jonjon" A. Ferrer, Metro Pacific Tollways Corporation (MPTC) Chairman Manuel V. Pangilinan, MPTC President and CEO Jose Ma. K. Lim, and MPT South Officer-in-Charge Ms. Elnora D. Rumawak.

CALAX, a 44.6-kilometer four-lane expressway, aims to improve connectivity between Cavite and Laguna, home to the country's key economic zones.

During the inspection, particular focus was given to the Governor's Drive Interchange, which is currently 44% complete and targeted for full operation by the third quarter of 2025. Once operational, this segment will decongest Governor's Drive and provide seamless access to major economic hubs in the region.

Upon full completion, CALAX will ease traffic on major thoroughfares such as Governor's Drive, Aguinaldo Highway, and Santa Rosa-Tagaytay Road, further boosting trade, tourism, and economic activity in the region. It is also expected to significantly reduce travel time between CAVITEX and SLEX by about 45 minutes, benefiting up to 95,000 motorists daily. Additionally, it will connect to the Manila-Cavite Expressway (CAVITEX), providing a seamless link between Metro Manila and Region IV-A (CALABARZON).

Currently, operational segments of CALAX include entry at Mamplasan and interchanges at Laguna Boulevard, Laguna Technopark, Santa Rosa-Tagaytay Road, Silang East, and Silang Aguinaldo.

Aside from CALAX, Metro Pacific Tollways Corporation (MPTC) holds concession rights for the North Luzon Expressway (NLEX), Subic-Clark-Tarlac Expressway (SCTEX), NLEX Connector Road, and Cebu-Cordova Link Expressway (CCLEX).

As part of DTI Laguna's mandate, the agency will continue to work collaboratively with different government agencies to strengthen the Kadiwa program. The agency also encouraged the public to support Kadiwa and help local farmers, fisherfolks, and MSMEs to promote their products, reach wider markets, and generate higher income by eliminating intermediaries and directly offer products to consumers (NMRepol, DTI-Laguna).
