Marcos to SSS, GSIS: Guard public trust, invest wisely

MANILA – President Ferdinand R. Marcos Jr. on Wednesday urged the leadership of the Social Security System (SSS) and Government Service Insurance System (GSIS) to uphold the integrity of public pension funds and ensure investments are made wisely and responsibly.

Speaking at the SSS's 68th anniversary and launch of the 2025 Pension Reform Pro-

gram, Marcos emphasized that the pension institutions hold the trust of millions of hardworking Filipinos.

“Huwag nating kalimutan na ang bawat kontribusyon ng ating mga miyembro ay bunga ng kanilang pagsisikap at sakripisyo (Let us not forget that every contribution from our members comes from their hard work and sacrifice),” Marcos said.

“Kaya naman, The President's re-

tungkulin nating siguraduhin na sa oras ng kanilang pangangailangan ay naroon tayo, handang umalalay at magbigay ng ginhawa sa kanila (It is therefore our duty to ensure that when the time comes, we are there to support and bring comfort to them).”

GSIS provides social security coverage to state workers, while SSS covers private sector employees.

marks came after the reported investment losses incurred by GSIS, particularly involving ventures in online gaming operations — a controversial issue that has sparked concerns over the safety and appropriateness of public fund placements.

Without directly naming the incident, Marcos made a clear call for caution, urging both pension funds to invest wisely and

proposed PHP223.2 billion budget for 2026, including allocations for attached and supervised agencies.

“The department's proposed 2026 budget of PHP223.2 billion reflects our continuing commitment to pro-

tect the poor, empower communities, and build resilience against risk and vulnerabilities. We thank Congress for the support given to DSWD over the years,” Gatchalian told members of the House Appropriations (Turn to p. 2)

Imus LGU brings aid, services to Imuseños through caravan

CITY OF IMUS, Cavite (PIA) – More than 1,000 residents in Barangay Buhay na Tubig benefited from the newest community outreach initiative of the City Government of Imus.

Through the

“AAksyon Caravan,” held on Monday, Sept. 8, the city government brought essential government services closer to the community by offering a wide array of social, medical, and legal assistance directly within local

barangays.

Residents of the said barangay were among the first to benefit from the caravan's comprehensive lineup of services, which included medical consultations, social welfare assistance, and legal aid—all provided on-site and free of charge.

Mayor Alex “AA” Advincula, who spearheaded the program, emphasized that the AAksyon Caravan reflects the city's ongoing commitment to making government (Turn to p. 5)

Relaunched ‘Bakuna Eskwela’ targets over 600K learners in Calabarzon

CALAMBA CITY, Laguna (PIA)—The Department of Health in Calabarzon is looking to expand the immunization coverage of schoolchildren against measles and other vaccine-preventable diseases after the program was suspended during the Covid-19 pandemic.

In partnership with the Department of Education (DepEd) Region 4A, the DOH relaunched the “Bakuna Eskwela – School-Based Immunization

(SBI)” program targeting to vaccinate around 600,000 school children across the region until the end of (Turn to p. 2)

in remote areas where access to services remains limited.

This is why I direct the leadership of these two institutions to guard this trust with the highest integrity and vigilance," Marcos said.

"So, invest wisely. Modernize your systems and make your processes efficient. Ensure that your services are easier to reach, be

it through digital platforms or help desks and kiosks, even in the most remote areas. Make sure your services are available whenever the need arises, wherever the need arises."

"Let us protect the lifetime of work that our pensioners have built for themselves and for our country," he went on. (PNA)

Committee.

He said the proposed budget will sustain flagship programs such as the Pantawid Pamilyang Pilipino Program (4Ps), the Assistance to Individuals in Crisis Situations (AICS), Supplementary Feeding Program (SFP), and Sustainable Livelihood Program (SLP).

For the 4Ps, the 2026 budget under the NEP is PHP113 billion, of which PHP98.4 billion is for cash grants, including the First 1,000-Day grants for pregnant and lactating women.

"Beyond cash grants, we celebrate stories of empowerment such as 4Ps graduates who are now professionals, teachers, and even topnotchers in national examinations. Through partnerships with private and government institutions, we have also strengthened employment opportunities for 4Ps households in line with the TrabaHo sa Bagong Pilipinas Thrust," he said.

Gatchalian reported that the agency will also expand the SFP's coverage to ensure that more children will re-

ceive daily meals that support their growth, learning, and overall well-being.

He also emphasized the continued implementation of the Walang Gutom Program (WGP), which promotes proper nutrition and sustainable food consumption to address involuntary hunger.

Among the DSWD's newest initiatives is the Pag-Abot Program, which helps families and individuals in street situations (FISS) return to their homes or places of origin and eventually get reintegrated to their communities.

"For 2026, we are requesting PHP807 million, with PHP586 million dedicated to grants, and PHP66.6 million for outreach operations. As of July 25, the program has already reached out 1,711 beneficiaries," he said.

The Tara, Basa! Tutoring Program (TBTP) was also highlighted as a reformatted education assistance initiative that engages college students and youth development workers as tutors and

October.

According to Dr. Mark Nicholas Santos, Medical Officer IV of the DOH Family Health Unit, the initiative is part of the government's commitment to prevent life-threatening but vaccine-preventable diseases such as diphtheria, tetanus, pertussis, influenza, polio, measles, mumps, rubella, hepatitis B, and even extrapulmonary tuberculosis.

"Even if a child has completed vaccination, there is still a chance of contracting

learning assistants, while also providing cash-for-work support to parents.

As of July 2025, the TBTP has deployed more than 6,500 tutors and 3,200 youth workers, reaching over 55,000 learners.

Gatchalian also underscored the DSWD's critical role in disaster response, saying that the agency's disaster response programs "will continue to provide immediate relief, early recovery support, and resilience-building measures for communities affected by natural and human-induced calamities."

"We again seek your support to approve our budget proposal and other requests so that together we can uphold the welfare of every Filipino family. Consistent with the thrust under this administration of Bawat Buhay Mahalaga," he said.

Several members of the House of Representatives manifested their support for increasing the budget of

the disease. But the difference is, the effect will be much milder compared to those who are unvaccinated," Santos explained.

The program targets learners in Grades 1, 4, and 7, with Grade 1 and 7 students receiving Measles-Rubella (MR) and Tetanus-Diphtheria (TD) vaccines. Meanwhile, Grade 4 female students aged nine years old and above are given the Human Papillomavirus (HPV) vaccine, a proven safeguard against cervical cancer.

the DSWD for some of its programs and services.

Referring to the 2026 allotted budget for the SLP, Negros Occidental 6th District Rep. Mercedes Alvarez said she was "very saddened" upon learning that the SLP budget for 2026 was reduced.

"So, I hope that fellow members of the committee can be one with me in pushing for an increase of the SLP budget," she said.

Southern Leyte 1st District Rep. Roger Mercado also manifested his support to the DSWD.

"This is not a question, Mr. Secretary, and the officials of the DSWD family, but an expression of 100 percent support for their budget. If possible, for the honorable appropriations committee to further increase the budget of DSWD. DSWD has been a top performing department that truly touches the lives of every Filipino people," Mercado said. (PNA)

The Bakuna Eskwela program was first launched in 2013 in selected regions but was suspended during the COVID-19 pandemic. It resumed in 2024 to continue protecting children and preventing outbreaks in schools and communities.

The DOH strengthened coordination with DepEd to ensure smoother implementation and greater awareness among schools and parents after Calabarzon recorded a relatively low accomplishment in immunization coverage last year.

According to Santos, DepEd Region 4A has expressed full commitment to support the initiative, recognizing the critical role of immunization in keeping learners healthy and ready to participate in school activities.

Despite these efforts, the DOH acknowl-

edged that parents remain hesitant to have their children vaccinated. Health officials emphasized the importance of continued information campaigns to gain public trust and ensure that more children are protected.

"We are hopeful that with the right information and cooperation from schools and communities, we can reach our targets and protect thousands of children from vaccine-preventable diseases," Santos added.

Through the united efforts of DOH and DepEd, the Bakuna Eskwela program aspires not only to reach 600,000 school children but also to strengthen community confidence in vaccines, paving the way for healthier learners and a safer future for the next generation. (Cecille Maloles)

Cavite Career Caravan brings employment opportunities to Indang

A total of 171 jobseekers participated in the Cavite Career Caravan held on August 29, 2025, at the Indang Multipurpose Hall, resulting in 24 applicants hired on the spot. The event was spearheaded by the Provincial Government of Cavite through the OPG-Office of the Provincial Public Employment Service Manager (OP-PESM) in coordination with the Local Government Unit of Indang.

The caravan featured job openings from 37 local companies and 4 overseas recruitment agencies covering a broad range of industries and skill levels.

To further assist the applicants, several national government agencies were also present at the event, including the SSS, Philhealth, Pag-IBIG, PSA, DTI, NBI, TESDA, and BIR. These agencies provided support for applicants' additional documentary requirements and answered queries related to membership, registration, and government services.

The Office of the Provincial Legal Officer also participated in the event, offering free legal advice and consultations to address employment-related concerns of the jobseekers.

Mayor Virgilio Fidel expressed his gratitude to Governor Abeng Remulla, Vice Governor Ram Revilla Bautista, 7th District Congressman Ping Remulla, and OPPESM Head Rizalie Pimpin-Enero for their invaluable support in making the event a success.

The Cavite Career Caravan forms part of the province's wider initiative to bring employment opportunities closer to communities, especially in municipalities where access to job markets can be limited. It aims to empower Caviteños by directly connecting them with potential employers.--- OPIO

Cavite celebrated the colorful sector.

In marking the diversity and harmony of the rainbow community, the Provincial Government of Cavite successfully hosted a two-leg Pride Month Caravan, dubbed "Pride Without Borders", on August 16 and 26, 2025 in the municipalities of Amadeo and Maragondon, bringing together multifaceted members of LGBTQIA+, leaders, and advocates.

The Pride Month Caravan began its first-leg in Brgy. Dagatan Covered Court, Amadeo, with Mayor Jose "Jojo" Domingo Jr., Councilor Michelle Ricalde, Barangay Chairperson Joel Panganiban, and Ms. Precyl Ramos from the Office of the Provincial Social Welfare and Development Officer graced the event, putting forward their shared goals of fostering inclusivity and acceptance for the sector.

Mr. Paul John Profeta, Amadeo LGBTQIA+ President, set the tone with his message, stressing the value of respect and empathy shown to every gender.

Likewise, Hon. Jojo Domingo expressed his hope for openness and understanding among his constituents, saying "Sana po sa bayan ng Amadeo, magkaroon po tayo ng openness. Bigyan ng panahon ang mga sarili para makilala ang isa't isa". He, then, acknowledged and lauded the contributions of the LGBTQIA+ sector in their municipality.

Following, Dr. Melinda Villanueva of Amadeo Rural Health Unit provided a lecture on Human Immunodeficiency Virus (HIV), tackling the phases and prevention, and dispelling the myths and misconceptions about its transmission. She also added the importance of community awareness and support in combating the virus.

Thereafter, Mr. Leo Vidallon, a proud LGBTQIA+ member, shared his success story and reminded the youth members to embrace their true selves.

"Para sa mga kabataang LGBTQIA+ at mga nangangarap, hindi ninyo kailangang baguhin ang inyong sarili para magtagumpay. Hindi ninyo kailangang pilitin ang sarili sa kung anuman. Hindi ninyo kailangang itago ang katotohanan.

examinations. Free medicines and multivitamins were also distributed to the beneficiaries.

The activity was made possible through the dedicated service of the team from the Office of the Provincial Governor and the expertise of GEAMH medical practitioners, who selflessly provided their time and skills to ensure quality healthcare reached those in need. They were also assisted by Barangay Health Workers and Barangay Nutritionist Scholars of San Antonio De Padua 1.

The medical and dental mission strengthened the commitment of PGC to promote public health and extend quality medical services to residents who need them most.

Kailangan ninyong maging matapang upang maging ikaw", Mr. Vidallo emphasized.

On the second leg, held at Maragondon Municipal Covered Court, the program commenced with Mr. Mark Reden Digma, Officer-in-Charge of MSWDO-Maragondon, appreciating the presence of everyone at the event that made the celebration possible. It was followed by Municipal Councilor Carlo Gestada's message of gratitude for the collective effort of the province in creating a space of inclusivity for the LGBTQIA+ members.

Subsequently, on behalf of Governor Abeng Remulla, Ms. Ekeiko Sadang, Division Chief of Community Based Operations Division, conveyed an inspirational message, reminding everyone of their worth regardless of their gender.

"Ito ay isang pagpapatunay na ang ating kasarian ay hindi hadlang upang tayo ay magkaroon ng importansya sa ating bayan. Make your presence felt and known", she stressed as she encouraged the members to actively participate in such programs.

Ms. Haydelisa Maderazo, Provincial HIV Program Coordinator, then, discussed the HIV, AIDS and STI presentation, raising awareness of its differences, prevention and control. She also encouraged the participants to take the screening test to ensure the health and wellness of everyone, even those outside the LGBTQIA+ sector.

Another success story was featured with Mr. Lorraniel Chris Victoriano, a LGBTQIA+ member working as a government employee at the MSWDO-Maragondon, sharing his journey towards success and inculcating a sense of courage in the participants in pursuing their desired dream.

"Ang pagiging successful natin has no gender, no boundaries, no orientation. Success is possible for anyone who dares to dream and works for it", he stated.

The two-leg caravan was an avenue of inclusivity, acceptance and equality. It offered various services from various agencies, including the Department of Trade and Industry-Cavite, Office of the Provincial Health Officer, Office of the Provincial Public Employment Service Manager, Office of the Provincial Cooperatives Development Officer, Office of the Provincial Legal Officer and Office of the Provincial Agriculturist, to empower all genders in the province of Cavite.

PhilHealth seeks legislative support for Universal Health Care

MANILA – The Philippine Health Insurance Corporation (PhilHealth) has reaffirmed its commitment to expanding health benefits through evidence-based policies and actuarial projections.

In a statement on Wednesday, PhilHealth Acting President and Chief Executive Officer Edwin Mercado assured Filipinos that their contributions are being maximized to deliver wider coverage and improved health services.

“Pinag-iigihan po natin na palawakin ang mga benepisyo gamit ang angkop na datos at actuarial projections

(We are working hard to expand benefits using appropriate data and actuarial projections),” he said.

“Nagagawa natin ito dahil sapat ang ating pondo mula sa Kongreso at sa contributions ng ating mga kababayan mula pa sa mga nakaraang taon (We are able to do this because of sufficient funding from Congress and the contributions of our fellow citizens over the past years),” he added.

It must be ensured that the health system, both in the public and private sectors, can provide the services in the expanded packages, he said.

programs more accessible and responsive to the needs of every Imuseño.

“We want to ensure that no one is left behind when it comes to basic services. Through this caravan, we are bringing City Hall closer to the people,” he said.

Among the key services provided during the inaugural rollout were free legal consultations and notary services facilitated by the City Legal Office, as well as complimentary late birth registration services handled by the City Civil Registrar. Medical teams from the City Health Office and Ospital ng Imus also conducted free consultations and distributed medicines.

In collaboration with the Office of Cavite 3rd District Representative Adrian Jay “AJ” C. Advincula, additional services such as free dentures, eye consultations, prescription eyeglasses, and cataract surgeries were made available. Support services from the Office of Senior Cit-

izens Affairs, Persons with Disability Affairs, and the City Social Welfare and Development Office were also extended to attendees.

The AAKsyon Caravan is set to roll out across various barangays in the coming months, continuing its mission to empower communities through direct, on-the-ground public service delivery.

Mayor Advincula also held a People’s Day session as part of the event, personally engaging with residents to listen to their concerns and address community needs on the spot.

The caravan underscores the city government’s effort to foster inclusive public service by ensuring that no Imuseño is left behind. The initiative reinforces the administration’s commitment to participatory governance, where citizens are not only beneficiaries but also key partners in shaping local development. (RBF/Imus CIO)

Obiena among 28 pole vaulters at World Athletics Championships

MANILA – More than 2,200 athletes will see action in the World Athletics Championships scheduled from Sept. 13 to 21 at the National Stadium in Tokyo, Japan.

Filipino Ernest John “EJ” Obiena, the Asian Championships record-holder (5.90m), is among 28 entries in the men’s pole vault event.

The three-time Southeast Asian Games champion registered a season-best 5.80 meters at the Orlen Copernicus Cup in Poland (February), PATAFA Pole Vault Challenge (May) and Meeting Madrid in Spain (July).

Last Sunday, the world No. 7 Obiena bagged the bronze medal (5.65m) at the World Athletics Continental Tour in Beijing, China.

“Not the result I was hoping for but learned a few things and hope I can make the adjustments,” Obiena told the Philippine News Agency Wednesday morning.

After Tokyo, with the men’s pole vault final set Sept. 15, Obiena will lead the Atletang Ayala World Pole Vault Challenge at Ayala Triangle Gardens in Makati City on Sept. 20 and 21.
