DepEd asks Senate P928.5-B for school buildings, meals, teachers

MANILA – The Department of Education (DepEd) is seeking a PHP928.52-billion allocation in the proposed 2026 national budget, equivalent to four percent of the country's gross domestic product (GDP), to sustain programs for classrooms, nutrition, digital learning, and teacher welfare.

Education Secretary Sonny Angara said Tuesday that the proposed budget, now under Senate scrutiny, aims to "make every peso count" for learn-

ers and educators.

"Malaki pa ang hamon na hinaharap natin sa sektor ng edukasyon, ngunit malinaw ang direksyon — bawat pondo ay para sa mga guro at mag-aaral (We face enormous challenges in the education sector, but the direction is clear — every peso is for our teachers and learners)," Angara told senators.

Of the total, PHP56.4 billion will be used for school infrastructure, including the construction and rehabilitation of classrooms,

medium-rise buildings, electrification of schools, and the establishment of library hubs and resilient facilities.

Nutrition also takes a substantial share, with PHP50.6 billion earmarked for the School-Based Feeding Program. This will cover 25 additional feeding days, provide meals for malnourished pupils, and extend feeding support to adolescent mothers.

To narrow the digital divide, PHP16 billion is allocated for

243,000 laptops and internet connectivity for schools that remain offline.

The proposed budget

also invests in teacher development, with PHP6 billion set aside for career progression benefiting more than 113,000 teachers and school heads.

Angara said these allocations reflect the Marcos administration's commitment to address immediate needs while laying the

All eyes on the next RDC chair in Calabarzon

CALAMBA CITY (PIA) — President Ferdinand Marcos, Jr. will appoint the next chairperson of the Regional Development Council (RDC) in Calabarzon from seven nominees composed of three government executives and four representatives from the private sector.

Governors Angelina Tan and Nina Ricci Ynares of Quezon and Rizal province respectively and Bacoor City Mayor Strike Revilla were named nomi-

nees from the government sector during the RDC's third quarter full council meeting on September 4.

For selection as co-chairperson from the private sector were Engr. Ladislao Andal, Ronaldo Alvairra, Emerson Atanacio, and Richard Albert Osmond.

The Department of Economy, Planning, and Development (DepDev) in Calabarzon said the nominees demonstrated their strong commitment

in championing the region's development agenda in economic, infrastructure, governance, and peace and order.

"They are expected to play a vital role in

leading the discussions of programs, projects, and policies that will promote socio-economic development in CALABARZON," DepDev said in a Facebook post.

The new RDC chair will take the place of former Batangas Governor Hermilando Mandanas, whose term as RDC chair ended in June 2025 when he assumed the post as Batangas Vice Governor.

Pursuant to Executive Order no. 82 on strengthening the RDCs and accelerating socio-economic developments in all regions, each RDC shall be jointly headed by a Chairperson and a Co-Chairperson to be

appointed by the President from among the local chief executives and private sector representatives (PSR) members.

Under the EO, if the Chairperson is from the government sector, the Co-Chairperson shall be selected from the private sector, and vice-versa. The Chairperson and Co-Chairperson shall serve in the RDC for a fixed term of three years coinciding with the regular term of local

“Ang edukasyon ay hindi natatapos sa isang taon o sa isang budget cycle. Ito ay pangmatagalang laban na nangangailangan ng matatag na suporta (Education does not end in a year or a budget cycle. It is a long-term struggle

that requires strong support),” he added.

DepEd has prepared a PHP33.6-billion “wishlist” covering additional feeding days, disaster preparedness, professional development, and modernization of facilities, subject to fiscal space. (PNA)

ucts Research and Development Institute (FPRDI), bamboo should not be treated as a mere natural resource but also as a platform for sustainable development, climate resilience, and inclusive growth.

Incidentally, the country celebrates the Philippine Bamboo Month this September.

“Bamboo is no longer just a plant – it is a platform. A platform for sustainable development, for rural revitalization, and for ecological stewardship,” DOST FPRDI Director Rico Cabangon stated during the Laguna Bamboo Day celebration held at the Laguna Provincial Capitol.

The DOST-FPRDI further emphasized that bamboo goes beyond being a traditional material for construction and handicrafts. Bamboo is now treated as a renewable resource with vast potential in industries such as furniture, engineered products, textiles, food, energy, and even eco-industrial innovation.

Bamboo grows rapidly and absorbs carbon dioxide more efficiently than many tree species, making it an effective ally in miti-

gating climate change.

The agency also pointed out that promoting bamboo-based industries creates livelihood opportunities for local communities, especially farmers and artisans.

“A recent value chain analysis has quantified what many of us have long intuited: that bamboo in Laguna is not just viable, it is thriving. With an estimated annual valuation exceeding P100 million, we are looking at an industry that is not only growing, but is glowing with potential,” Cabango stated.

He added: “But this figure is more than a financial metric. It is a reflection of ingenuity, of enterprise, and of the quiet determination of communities that saw beyond the stalk and into the future.”

The Laguna leg of the celebration featured a trade fair, technology demonstrations, and forums where stakeholders—from local government units to entrepreneurs and researchers—discuss ways to utilize bamboo into mainstream economic planning.

Schools and youth organizations are also

elective officials. They shall serve a maximum of three consecutive terms.

Angelina “Doktora Helen” Tan, who represented Quezon Province’s Fourth District from 2013 to 2022, was widely known for her efforts to reform the public health sector. Tan’s tenure as governor is encapsulated in her HEALING Agenda, which focuses on key sectors including health, education, agriculture, livelihood, infrastructure, environment, tourism, and good governance.

Elected in 2022, Nina Ricci Ynares has championed environmental initiatives in Rizal province. Her leadership oversaw the relief efforts during typhoon Enteng and Habagat. As home to several Indigenous People (IP) communities, her administration is also focusing on long-term community development, empowerment, and education reforms.

Mayor Strike Revilla is leading Bacoor City’s ‘Smart City’ initiative, which promotes sustainable urban development in collaboration with national government agencies and neighboring Asian countries. As the former representative of Cavite’s

encouraged to participate in bamboo planting activities, reinforcing the role of the younger generation in environmental stewardship.

Through its ongoing programs, the DOST hopes to transform

second district, Revilla pushed for legislatures on improved elderly care and the enhancement of occupational safety and health standards.

The CALABARZON RDC also solicited nominees from the private sector which has been a strong partner in the region’s economic development initiatives.

Licensed civil engineer Ladislao Andal has been a longtime member of the RDC as chairperson of its Sectoral Committee on Infrastructure Development, which oversees the implementation of national infrastructure projects in the region.

Andal is also a member of Batangas State University’s Board of Regents and the Philippine Institute of Civil Engineers.

Emerson Atanacio of Cavite Technical Vocational Educators Association Inc. was the chairperson of the CALABARZON RDC’s Special Committee on Strengthening Academe and Industry Linkages, and pushed to address issues on job-skills mismatch and other potential issues related to ASEAN integration.

Richard Albert Osmond, Chief Executive Officer of the Philippine Industrial

Estate Administration, Inc. has been an active member of the CALABARZON RDC and a keen supporter to the country’s shift to clean energy and modernizing industries to create high-quality jobs.

Also endorsed as nominees were Ronaldo Alvaira and Emerson Atanacio.

Formalized in 1996 as Executive Order No. 325, Regional Development Councils are composed of local government officials, regional line agencies, and representatives of non-government organizations in a bid to

decentralize government functions and accelerate socioeconomic development in the regions.

With the help of the private sectors and NGOs, RDCs ensures that economic policies at the local and regional level are coordinated and aligned with the United Nations Sustainable Development Goals (SDGs) and Ambisyon 2040— a long-term vision of the national government towards a prosperous, innovative, and high-trust society. Safer, decent homes: PBBM awards housing units to families displaced by railway project in Laguna

SAN PABLO CITY, Laguna (PIA) — President Ferdinand Marcos Jr. on Monday, September 15 turned over more than 1,000 new homes to families displaced by the on-going construction of a railway project of the Philippine National Railways (PNR).

Located at St. Barts Southville Heights in Brgy. San Bartolome, San Pablo City, Laguna, the 1,099 house and lot units were allocated specifically for informal settler families affected by the on-going construction of the PNR South Long Haul Project-Segment 2-7.

“Kahit maulap, napakaganda ng araw na ito dahil kasama ng pagbubukas ng pintuan ng mga bagong tahanan ay ang bagong pag-asa para mga napakaraming pamilya,” the President said.

“St. Barts...napaka-sosyal... kasi pala Barangay San Bartolome ito. Yung St. Barts, sikat na lugar yan eh. Pagagandahin natin ang lugar na ito kagaya ng St. Barts na kilala sa buong mundo,” the President told the crowd in jest.

President Marcos said housing projects awarded to Filipinos are decent, high-quality, and ensures a life with dignity under the government’s Pambansang Pabahay Para sa Pilipino Housing Program (4PH).

“Ito po ang layunin natin: kasabay ng pagpapaunlad natin sa imprastraktura, ay ang pagginhawa ng buhay ng ating mga kababayan. Walang iniwan. Walang isinasantabi. At walang pinapabayaang prinsipyo ng ating

Pambansang Pabahay Para sa Pilipino Housing Program—pabahay na may dignidad.”

The housing project was implemented through the collaboration of the Department of Transportation (DOTr), National Housing Authority (NHA), and the local government of San Pablo City.

Now free from danger and given a fresh start for a progressive life, President Marcos Jr. expects that residents at St. Barts will protect the housing units and love their community.

“Magtulungan at pairalin ang malasakit sa bawat isa. Panatilihin malinis, ligtas, at maayos ang St. Barts. Patunayan ninyo na kayo ay ang mga Bagong Pilipino—Pilipinong disiplinado, mahusay, at may pagmamahal sa bayan.”

New homeowner Dante Alvarez, a senior citizen from Brgy. San Gabriel, San Pablo City, is thankful to the government as he now have a house he can call his own.

“Malaking tulong ito sa mga kagaya naming nangungupahan. Magkaroon man kami ng kontribusyon maliit lang, hindi gaya ng obligado kami monthly na magbayad. Maraming maraming salamat sa Pangulo ng Pilipinas. Kami dito na maliliit lang ay natutulungan.”

Meanwhile, Pau-

lo Arogancia of San Antonio 2, San Pablo City, described living beside a railway as dangerous to their children.

“Delikado kasi yung mga bata sa tabing riles. Kapag busy yung mga magulang at naglalaro yung mga bata sa mga dumadaan na tren, syempre delikado yun. Nagpapasalamat kami na binigyan nya kami ng ganito, hindi na kami mahihirapan manirahan sa tabing riles at sa tingin ko ay ligtas dito.”

Each housing unit has a 40 square-meter lot area and a 27 square-meter floor area, with two bedrooms, a dining area, main kitchen, and a dirty kitchen.

The NHA said that beneficiaries will enjoy a six-month to one year grace period with no payment. After which, they will pay Php800 per month for the first five years, and whole amortization period will span 25 to 30 years, depending on the beneficiary’s financial capacity.

The St. Barts housing community will be equipped with facilities including elementary school, daycare center, multi-purpose covered court, market, health center, livelihood training center, transport terminal, material recovery facility, and community police station. (CH/PIA-Laguna)

348K Filipinos benefit from Marcos’ ‘Tara, Basa!’ literacy program

MANILA — President Ferdinand R. Marcos Jr. on Monday reported that more than 348,000 Filipinos have benefitted from the Tara, Basa! Tutoring Program (TBTP), which he hailed as a flagship literacy and youth employment initiative of his administration.

Speaking at the program’s National Culminating Activity at the University of Makati, Marcos said the initiative directly addresses reading backlogs in public schools while giving financially challenged college students cash-for-work opportunities.

“Pangarap ng bawat magulang ang magkaroon ng maganda at maaliwalas na buhay ang kanilang mga anak. Naniniwala tayo na ang susi upang maabot ang pangarap na ito ay ang edukasyon (Every parent dreams of a good life for their children. We believe that the key to achieving this dream is education),” the President said.

Implemented by the Department of Social Welfare and Development (DSWD) in partnership with the Department of Education, Commission on Higher Education, National Youth Commission, state universities and colleges, local government units,

and other agencies, the TBTP deploys college students as tutors for struggling elementary readers and as youth development workers (YDWs) guiding parents in “Nanay-Tatay” sessions.

In return, they receive wages equivalent to the regional daily minimum after 20 completed sessions.

Marcos said both learners and tutors gain from the arrangement.

“Bilang tutor, sila ang tumutulong sa ating mga estudyante na gumaling ang kanilang pagbabasa. Kapalit nito, nahasa rin ang mga tutor sa pagtuturo at paglilingkod sa kanilang komunidad (As tutors, they help students improve their reading. In return, the tutors also develop their teaching skills and sense of service in the community),” he said.

The Chief Executive, citing his own experience as a teacher, said the dynamic creates a “symbiotic relationship.”

“Teachers learn more than the students,” he added, noting that his wife, First Lady Liza Araneta-Marcos, has taught law for more than two decades.

The President capped his speech by honoring teachers in time for National Teachers’ Month, calling them heroes of the Philippine society.

“Ang husay ng ating kabataan ay nasa kamay ng ating mga guro kaya’t kailangan talagang suportahan... at kailangan pa nating kilalanin na sila ay isa sa mga bayani sa lipunan ng Pilipinas (The excellence of our youth rests in the hands of our teachers, who must be supported and recognized as heroes of Philippine society),” he said.

Launched in 2022 and institutionalized under Executive Order No. 76 in November 2024, the TBTP is part of the administration’s broader effort to recover pandemic learning losses and build strong foundations in literacy nationwide. (PNA)

Handog ng Pangulo 2025 Brings Integrated Services to Caviteños on President Marcos' Birthday

In a significant nationwide initiative to mark the 68th birthday of President Ferdinand “Bongbong” Marcos Jr., the government launched a simultaneous distribution of comprehensive assistance and services across the country on September 13, 2025, under the Handog ng Pangulo: Serbisyong Sapat para sa Lahat program. In Cavite, the event was held at Tanza Convention Center, where various national agencies and local government offices came together to deliver essential services directly to the community.

Cavite Governor Francisco Gabriel “Abeng” Remulla led the provincial delegation and welcomed attendees with a message of support for the government’s initiatives to grassroots service delivery. He reiterated that the program is a testament to the government’s commitment to public service and expressed appreciation to agencies for selecting Cavite as a host site for this milestone activity.

The event featured the collaborative efforts of several key government agencies. The Department of Labor and Employment (DOLE) provided aid through the TUPAD emergency employment program, livelihood starter kits and capacity-building

grants to eight cooperatives under the DOLE Integrated Livelihood Program.

The Technical Education and Skills Development Authority (TESDA) offered skills demonstrations, and distributed starter toolkits and cash allowance to qualified TVET program completers. TESDA also offered wellness services including free haircuts and massages.

The Department of Trade and Industry (DTI) provided business consultations and business registration services. In partnership with Small Business Corporation (SB Corp), DTI also facilitated the awarding of loan packages amounting to Php4,990,000.00 to support business recovery and expansion of five MSME beneficiaries namely: SHA-I Copy Center, NGRANDE Fast Food Chain, Tent King Corporation, Urban Eye Optical Shop, and Mutya Sari-Sari Store.

The Department of Agriculture (DA) in partnership with DTI and the Office of the Provincial Agriculturist (OPA) also staged the Kadiwa ng Pangulo where basic commodities and produce of local farmers and entrepreneurs were made available to the public.

Likewise, the Bureau of Fisheries and

Aquatic Resources (BFAR) awarded 1M pesos worth of fingerlings to the OPA, livelihood project under FISHCORE Project, Seaweed Farm Implementations, fiberglass boat, fishing gear and aquaculture kits to local fisherfolk groups.

Health and social protection services were rendered by the Department of Health (DOH) with a package of services like chest X-ray and medical assistance; PhilHealth offering YAKAP Program registration, as well as updating and issuance of membership records; and, the Social Security System (SSS), offering records updating and benefit availment support.

The Philippine National Police also participated in the event, offering police clearance issuance aside from securing the overall safety of everyone in the venue.

Other participating agencies included the Department of Agrarian Reform (DAR) and the Philippine Coconut Authority (PCA), which distributed assistance to agrarian reform beneficiaries and coconut farmers.

Provincial government offices also played a major role. The Provincial Health Office (OPHO) and the Office of the Provincial Governor’s Medical Mis-

136 PH athletes to join Asian Youth Games 2025 in Bahrain

MANILA – The Philippines will send 136 athletes to the 3rd Asian Youth Games set Oct. 22 to 31 in Manama, Bahrain.

“We’ll field a compact team of promising athletes who are all potentially our future Olympic, world and regional champions,” Philippine Olympic Committee president Abraham “Bambol” Tolentino said Tuesday.

Ramon “Tats” Suzara, president of both the Philippine National Volleyball Federation (PNVF) and Asian Volleyball Confederation (AVC), will serve as chef de mission of Team Philippines.

Promising boxer Leo Mhar Lobrido and young volleyball star Harlyn Serneche are the flag-bearers in the parade of countries during the opening ceremony at the Exhibition World Bahrain.

Tolentino said the target is to match or surpass the two gold medals won by taekwondo’s Pauline Lopez and golfer Mia Legaspi, and three silver medals the country won in the 2013 edition held in Nanjing, China.

“We believe somebody from our 136 athletes will rise to the occasion to make a name for himself or herself. Opportunities are always there for us, and we believe our athletes will do whatever it takes to win,” Tolentino added.

Lobrido, who turns 16 on Oct. 10, won gold in the boys’ 46-48kgs division of the fourth Greater Bay Area Youth Boxing Challenge last December in Shenzhen City.
